

# FOCUS at UT

This year we have experienced tremendous growth in our ministry including increased Sunday and daily Mass attendance, Bible studies, and overall student participation. FOCUS has been a powerful presence on our campus and greatly enhanced the ministry at the University Catholic Center.

During the 2013-2014 year, we had 5 FOCUS missionaries serving at UT.

## Highlights from the year include:

- Over 100 student leaders committed to sharing the Gospel with their peers
- 65 weekly Bible studies held weekly across campus
- Regional Student Leadership Summit held in Dallas
- 5 UT students hired to be FOCUS missionaries
- Fraternity & sorority specific Bible studies
- Athlete focused Bible studies
- Visit from the Sisters of Life
