

FOCUS at UT

FOCUS has been a powerful presence at UT Austin and continues to enhance the campus ministry at the University Catholic Center. Our Sunday and daily Mass attendance, Bible studies, and overall student participation remains strong thanks to our missionaries' efforts. It is within the context of prayer, reflection, and friendship that many students come to a better understanding of their Catholic faith and God's plan for their lives in new ways. As deeper relationships are formed between missionaries and peers, and students deepen their relationship with God, students become leaders.

During the 2014-2015 year, we had 5 FOCUS missionaries serving at UT Austin.

Highlights from the year include:

- 117 student leaders committed to sharing the Gospel with their peers
- 63 Bible studies held weekly across campus with 54 student leaders
- 107 students attended the SEEK2015 national conference in Nashville, TN
- Over 75 students participated in spring break mission trips to 6 countries
- 4 UT students from the Class of 2015 were hired to be FOCUS missionaries
- Fraternity & sorority specific Bible studies
- Athlete focused Bible studies
