

Like an Avalanche

Beautiful God
Laying Your majesty aside
You reached out in love to show me life
Lifted from darkness into light
Oh

King for a slave
Trading Your righteousness for shame
Despite all my pride and foolish ways
Caught in Your infinite embrace
Oh

And I find myself here on my knees again
Caught up in grace like an avalanche
Nothing compares to this love love love
Burning in my heart

Saviour and Friend
Breathing Your life into my heart
Your word is the lamp unto my path
Forever I'm humbled by Your love
Oh

[chorus]

Take my life
Take all that I am
With all that I am I will love You
Take my heart
Take all that I have
Jesus how I adore You

[x4]

And I find myself here on my knees again
Caught up in grace like an avalanche
Nothing compare to this love love love

Garden

In the cool of the day
You come and meet me
All the blue fades away
The stars are winking

Your love's so strong
I can't recall
What was this thing
They called the fall?

And You walk with me
You never leave
You're making my heart a garden

Oh, why would I hide
Away from Your face
When the light of Your love
Illuminates?

Your hand in mine
A steady line
Drawn on my heart
And deep in my mind

And You walk with me
You never leave
You're making my heart a garden

All the broken are mending
The mournful rejoicing
Seeing through tears
Of peace overflowing

And You walk with me
You never leave
You're making my heart a garden

Deliverer

I was a drifter, I had nowhere to go
I was hanging by threads of dust and bone
Every angel I knew was singing son come
home
But the melody was hard to sing alone

Oh God, You're my deliverer
The One, the One who carries us
Oh God, You're my deliverer

I was on trial for everything I did
And there's no way I could make a stand and
win
When you realize the verdict is already in
You let go of the brokenness within
Well there's only One who can ever stand
and win

Oh God, You're my deliverer
The One, the One who carries us
Oh God, You're my deliverer
The One, the One who carries us
